You have reached the end of an enigma – East Side, that is – full of complexity and commotion, memories layered thick since 1911 and your class's tapestry its newest sheen. The weaving of it ached, but as an artist to his craft you feel the genuine satisfaction of a job well done: it was all worth it. The banner of scholasticism is yours to carry now, the sign of Down Neck repute that holds strong despite the winds of change (though not worse than winds coming off the Passaic on an August noon, phew!) How will you display it? Maintain its name? From what I learned from my elders and my experience at East Side, I give a few words of advice. First, do not allow others to make you a victim; the limitations imposed by your class, race, and origin fall by the wayside if you refuse to let them define your potential. Supreme Court Justice Clarence Thomas, whose upbringing reflected many of the challenges we face, once told me, "We now live in a society of culpability, demonizing our fellow brothers and sisters to grant a false assurance in ourselves." Instead, you must reject narratives and seek out opportunities even when there appears none, for there will always be good people to grant you one if you prove your worth. To prove yourself, move beyond the purely academic and cultivate virtue. As in the words of our notable Italian antiquarian, beauty without goodness of heart, spirit, and mind is beauty without, and without appreciation of the two you will never be true. Give back as you receive, little or a lot as it is, and be grateful: success is a two-way street that, like your experience at East Side, builds in reciprocity (if it worked for the Incas, I am sure it will work for you.) And in looking back to those who have supported you, be respectful of the past, of tradition, and the toils of those who have preceded you. Do not let adolescence tempt you to burn it all away, for every generation believes their revolution to be the right one – the Earth can only spin so fast before it flings itself into the Sun! Therefore, be a realist. Find and stand guard of your own utopia, whether that is in kindred's grin, a lamp sooty of midnight oil burnt, or even the blossoms of Independence Park (watch out for the mosquitos!) While the universe might have come out of nothing, your happiness won't; the world holds no debt to man, his contract that between his fellow kind. It is your responsibility to reject apathy, to forge bonds with one another and reach that elusive joy of living. As a wise and remarkably industrious woman once said to me, "Growth and comfort will never co-exist," and so every life guided by principle is both daunted and lifted by the demand for courage. Strike, then! Go forth and hammer that anvil of apprehension, snuffed out of its paralyzing fire. It is your turn to rise, so tuck in your shirt and do so boldly – naught but the best.

Congratulations, class of 2016, we have done it! We have completed one more task, and we are now moving one step forward. Unfortunately, not all of who entered those gates on Nichols Street in September, 2012 are moving forward with us. Independent of what path we choose to take, henceforth, more than ever before, every second will count. Spend it wisely. Picture two students: Student A does his homework, and is part of every other club in school. This student is the Student Council president, has straight A's, and spends his time learning in and out of the classroom. Every teacher in the building loves this student. Student B still questions the purpose of education, and doesn't even know his teacher's name. This student does not do homework, and spends eight hours a day strolling around the school hallways listening to inappropriate music. Now picture yourself: Who are you? Are you using every second of your day wisely? Every second is worthy; What we do with each second is a critical decision. Let us be around those who will aid us spend our time wisely, and most importantly, aid us live our lives with integrity. Let us be realistic and resilient with ourselves and our goals. As Stephen Colbert said: "If we do not get our dream, we have not failed - but just as importantly - if we do get our dream, we are not a winner." There is still time to be successful, but most importantly, there is still time for us to aspire to be greater than yesterday; there is still time, it all takes a step of wisdom. I wish all of us the best of luck and wisdom as we enter a new door which its inside is unknown to all of us.

## **Isabel Duarte**

**East Side Class of 1967**

Isabel Maria Lobato Duarte was born in Lisbon, Portugal and came to the United States in 1964, where she resided in the Ironbound Section of Newark before moving to Avenel 25 years ago.

Isabel graduated in 1967 from East Side High School, before continuing her studies at Bloomfield College and Rutgers University in New Brunswick. Her love for learning also took her to Lisbon where she also attended Lisbon University during the summers.

From a young age Isabel expressed a love for languages and in her high school yearbook listed her future profession as interpreter. Her dream profession would not too far removed from what her actual career would eventually be. She became a teacher of Portuguese, at her high school alma mater.

Over the course of the next 47 years Ms. Duarte would teach a countless number of students a new language, and she also helped an equally numerous number of native Portuguese speakers improve their Portuguese language skills. Early in her career Ms. Duarte became the advisor of the newly founded Portuguese Club, Os Academicos. The popularity of the club, and Ms. Duarte's love for the arts, no doubt a trait she inherited from her father who was an avid painter, gave birth to a Portuguese literary magazine. Through those two vehicles Ms. Duarte taught thousands of students a love for the Portuguese language and its cultures. Ms. Duarte loved Portugal and its culture and would often visit. No visit to Portugal would be complete without the ubiquitous meal of grilled sardines, a dish she truly enjoyed. Ms. Duarte was a staple of the Ironbound's Portuguese community and she, and her clubs were regular participants in the Portuguese Day Parade from its inception.

Ms. Duarte was a kind and thoughtful person, who not only shared her love of Portuguese culture with all, but was extremely generous, and would often give small gifts to students, and colleagues to mark special occasions. Her generosity was boundless, especially when it came to her students and her club and would often fund activities and field trips. Isabel Duarte will be sorely missed by the entire East Side community. Once an East Sider, always an East Sider.

## *Building for the Future*

The Varsity Football team finished 0-8. This year's team was led by the lone senior Iby's Corchado. A bright spot to the season featured a squad which started three-fourths of the team with Freshmen players. Hopefully these Freshman which featured Darwin Elias, Junior Ramirez, Abdul Boulding, Brandan Caban, Americo Flores, Juan Urgulez, will stick together to make East Side a respectable team for the years to come.

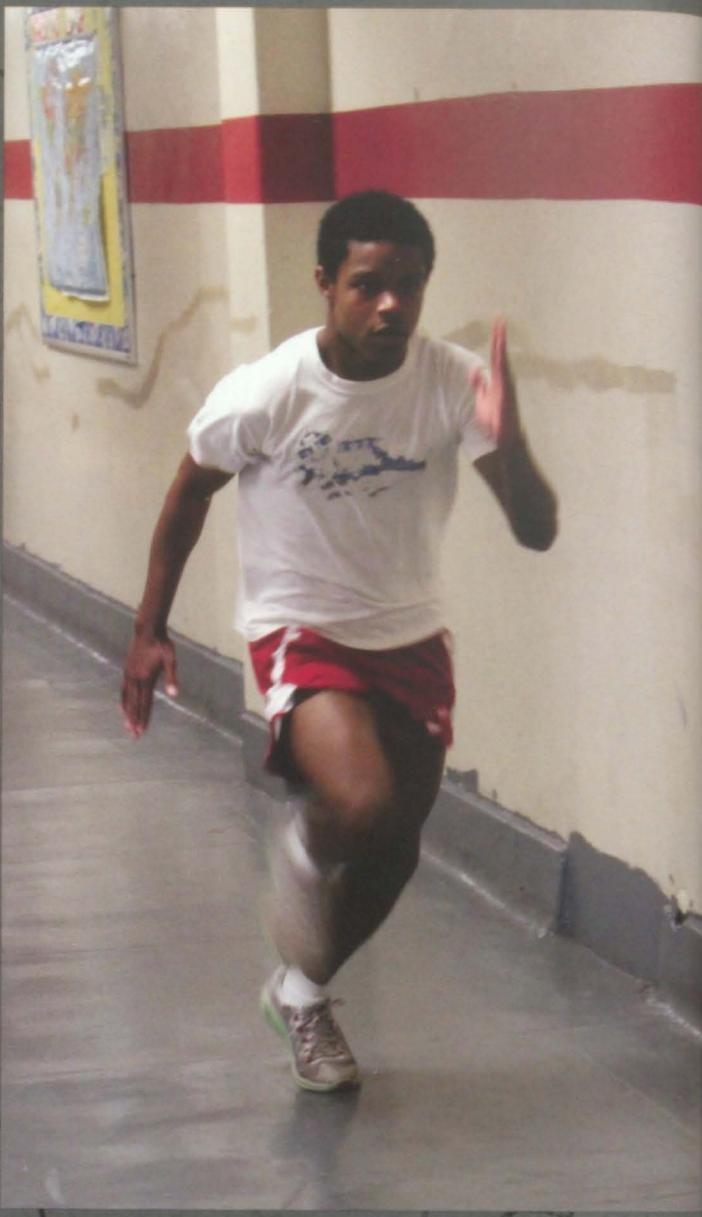

# Cross Country and Track

The Boys & Girls Cross-Country team started out their season on an uphill climb. Coaches Luis Henriques, Filipe Dos Santos, and Giselle Harris took over the team on a last minute notice as a result of a last minute coaching shortage. The girls team was built on the strengths of Senior Success Uhunmwangho and sophomore Haleemot Adeyanju. The boys side was led by junior Whylliam Martins and by senior Gabriel Souza. With a dedicated group of athletes, the boys team was able to clinch the Newark Public Schools Championship. As for the girls, Haleemot Adeyanju was the individual champion with Success Uhunmwangho taking 3rd place overall. The season was one that demonstrated perseverance and hard work always pays. The seniors took a well-deserved reward on the last day of the season. The coaching staff wishes Success and Gabriel all the best as they continue on their journey of life.

# Boys' Soccer

Senior Captains Tiago Afonso, David De Jesus and Howard Trindade led the team to the North II Group IV State Sectional Finals after 51 years. Lucas Vasconcellos, Juan Arteaga, Jefferson Rincon, John Branco, Rafael Pereira, Anthony Almeida, Christopher Zeas, Luis Quishpilema and Kevin Orellana were the other seniors who contributed to the overall record of 13-5-3 and winning the 11th NPS Soccer Tournament. Howard and David earned 1st Team SEC American. Jonatas and John were named 2nd Team SEC American. Eric and Tiago Da Costa received Honorable Mentions. Jonatas Barbosa Pereira was awarded with the North II Group IV Third Team

East Side Soccer Team Finished the season ranked 17th in NJ.com Top 20.

# Girls' Soccer

## Making Progress

The Girls' Soccer team finished the season with a respectable 7 win, 9 Loss season. Senior Alexandra " Xana" Teodoro's season was cut short by a serious knee injury and her outstanding contributions were sorely missed. In her absence, Jasmeen Cuenca stepped in and scored a season high 18 goals. Seniors and first year players, Diana Guaman, and Veronica Tamay had excellent seasons. The next wave of Lady Red Raiders is eager to have their chance and continue making progress.

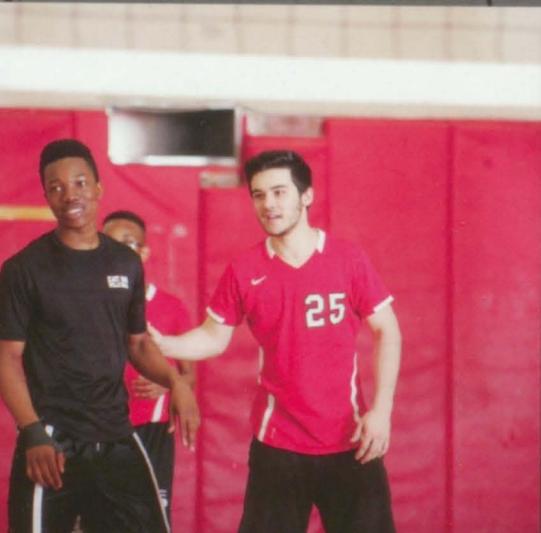

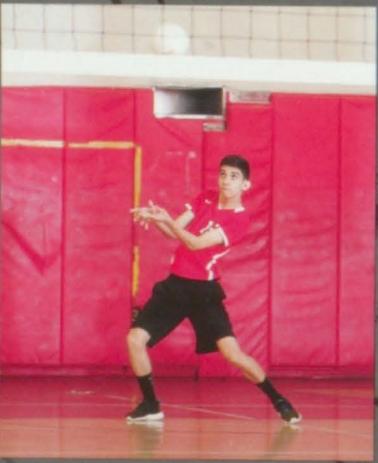

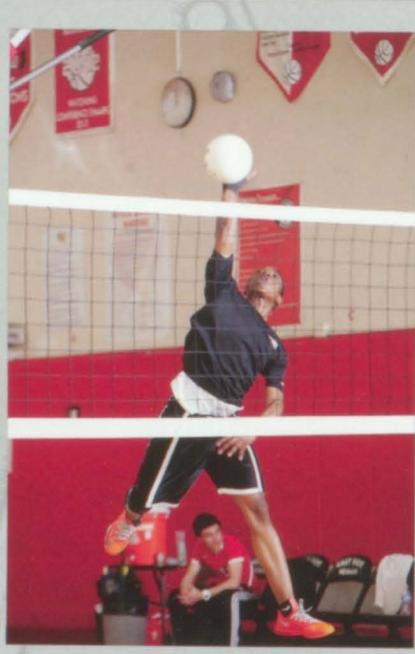

Roster: Alexandra "Xana" Teodoro, Veronica Tamay, Kimberly Crespo, Ashley Monteiro, Amaly Garcia, Sophia Das Neves, Jasmeen Cuenca, Melany Hernandez, Johanna Luzuriaga, Nicole Vieira, Amelia "Domenica" Armijos, Lissel Sanabria, Maria Seguinot-Kelly, Cindy Torres, Iliana Ayala, Maria Pinzon, Geomara Pullutasig, Diana Guaman, Jessica Sucuzhanay, Estefany Alvarado, and Dahyanna Robinson (Not Pictured).

# Boys' Basketball

The 2015-2016 Boys' Basketball team finished with a 24-8 record. This season, East Side exceeded expectations as there wasn't a single senior on the roster. The boys won their 9th NPS tournament championship. They were also finalists in the Essex County tournament where the boys lost to Seton Hall Prep 50-44 in a hard fought game. During the state tournament, East Side advance to the Group 4, Section II final at Linden High School where they took the #5 team in the state to overtime but lost 62-59. East Side finished the year ranked #17 by the Star Ledger and #11 by njhoops.com and are expected to start the 2016-2017 as a top 10 team in New Jersey. All the East Side coaches would like to thank the students and staff for the tremendous continued support.

# Girls' Basketball

## *A Season of Firsts*

The 2015-16 season was filled with firsts for Lady Raider basketball. The first nine win season in decades, the first player to score 49 three pointers in a season, the first player to earn the rank of top 50 three point shooters in the state, the first season to have two players score in excess of two hundred points and the first freshmen point guard.

### Team Captains

Beatriz Figueroa, Jailene Aponte, and Gabriela Neto.

Roster: Jailene Aponte, Meire Da Paixao, Beatriz Figueroa, Angelica Flores, Gabriela Neto, Sheralyn Perez, Sha'dazah Ricketts, Charity Smith, Kim Zagadou, Sahiyah Odom, Carisa Loyal, Sharese Gugliemini, Yamilett Ulloa, Rajai Jackson, Raichel Echevarria, and Stephanie Seda

# Ice Hockey

The Boys Hockey Team rejoined the NJIHL Liberty Conference and finished with a 5-10-2 record. The team improved throughout the year, advancing in the conference playoffs and losing to the eventual champions in the semi-finals. Although senior co-captains, Joshua Seabra and Carlos Albuquerque will be missed next season, the Red Raiders future is bright. The top scoring junior line of Wilson Pratts, Gianni DiFederiqo and Steven Luzio (Second Team All-Conference) combined for 38 points. Also, they return top scoring defenseman Gabe Dos Santos (Sophomore) and starting goalie Nick Camara (Freshman).

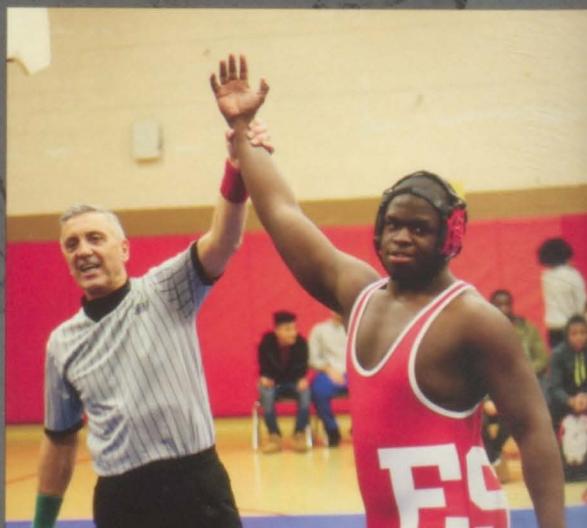

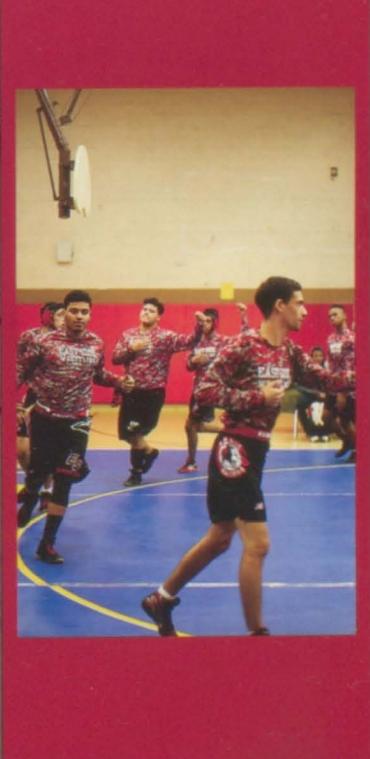

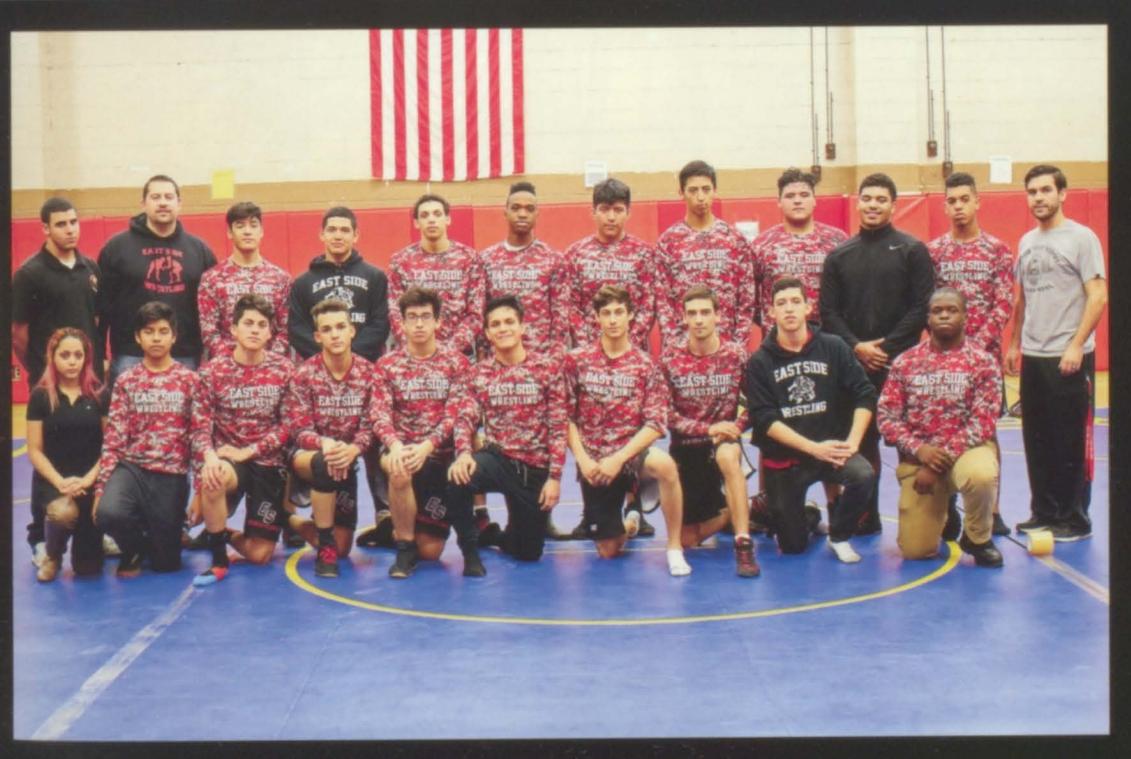

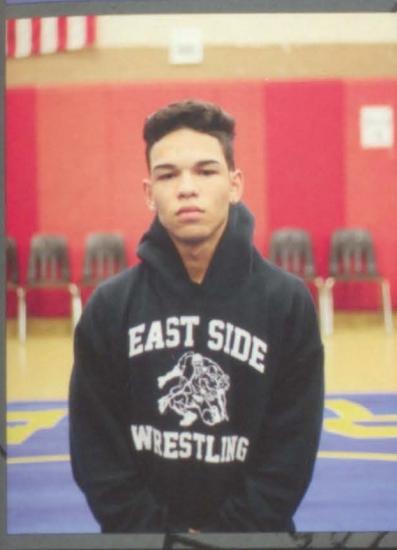

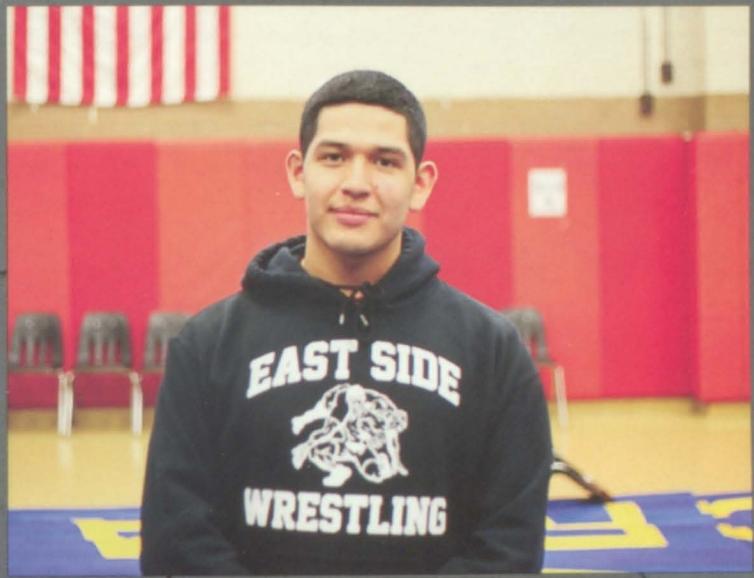

# Wrestling

The Wrestling Team had one of the best seasons in school history, finishing 10th in Essex County and being crowned City Champs. We were led by senior co-captains John Perez (15-10) and Ibys Corchado (26-7). Senior Alex Rodriguez set a school record with 29 wins which was amazing considering it was his 1st year ever wrestling. He also became a District Champion. Other key contributors were Seniors, Anthony Santiago (13-4), Frank Castillo, Amir Johnson and Luis Fonseca. Some underclassmen who had a distinguished season included Alex Ciola (23-10) and Marcos Duenas. A lot of blood, sweat, and tears are leaving this year with the Seniors that are graduating, they have really set the bar high for future wrestlers. A challenge that the program is ready to accept!

She has been the Team Captain for the past three years. This year she had a season high of 222 and led the team with a high score series of 545 pins. She will truly be missed by the entire team. Junior Mawa Camara was also a season stand out with helping the team with wins. Next year should be an exciting season with the team consisting of Seniors Anthony Ilanos, Mawa Camara, Rokiatou Fofana, Adrian Gonzalez to lead the team to victory.

## *A Team with Winning Ways*

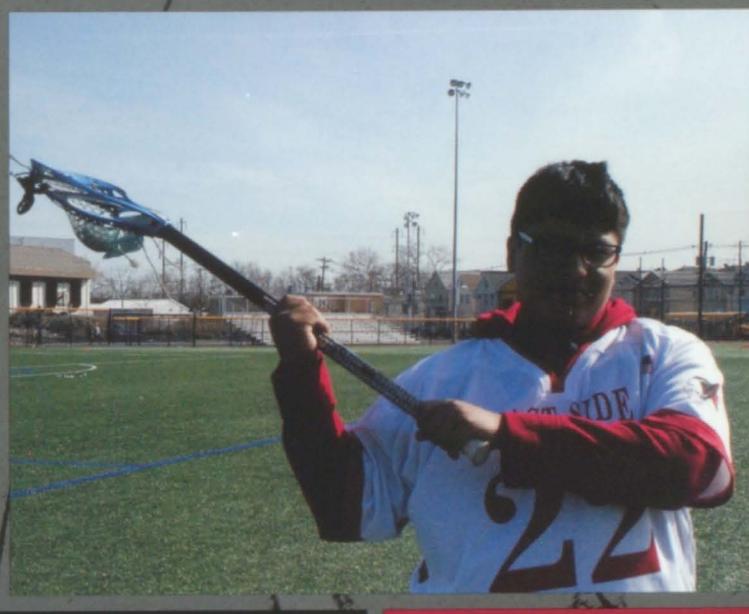

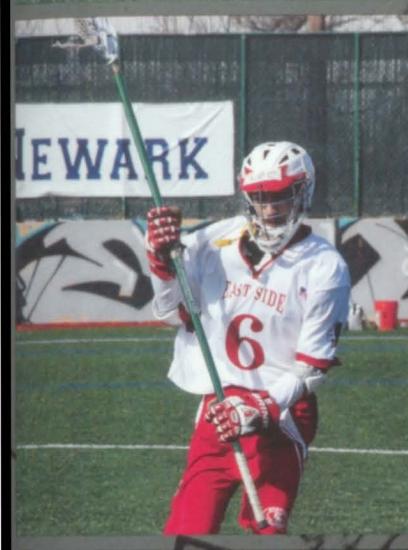

Senior captains Alyssa Morales and Tianna Ortiz have lead the East Side Softball team to 4 consecutive winning seasons. Samantha Rodriguez and Deanna Guerrero have contributed to the success of the team with their hard work and dedication. Alyssa Morales was awarded with the SEC Colonial Division First Team.

# Lacrosse

# Golf

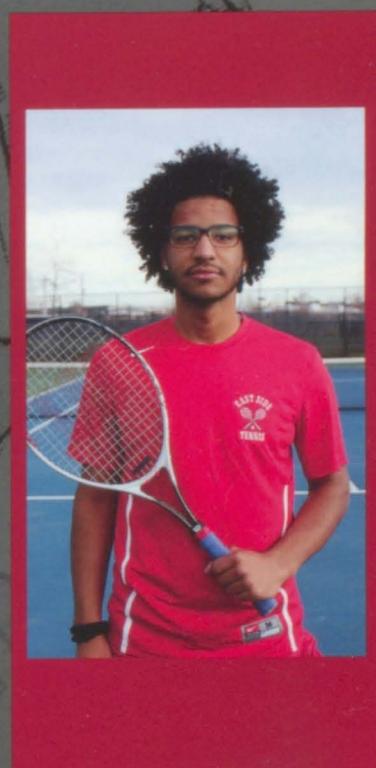

After a very mild winter, we thought that we would be playing golf in no time, but the Spring of 2016 proved to be difficult one. Colder than usual weather and lots of rain have delayed the beginning of the golf season, but it has not dampened the spirit of our golfers. Lawal-Qudry Adeyanju looks forward to hitting the links and lead his team as a senior
